

LIFESTYLE / PRODUCT PERFORMANCE

Installed in a dairy area where a textured top and studded base balance grip with cushioning.

ANIMAL & AGRICULTURE

MODEL HR-027

Shelter Stud

A studded natural-rubber dairy mat with an anti-slip hammer-top surface.

- **Studded construction**
- **Anti-slip hammer top**
- **Natural rubber**

BUILT FOR THE APPLICATION

Uses natural rubber, support studs and an anti-slip top to create a secure dairy resting surface.

PRODUCT OVERVIEW

Built around the demands of dairy.

A studded natural-rubber dairy mat with an anti-slip hammer-top surface.

**Studded construction**

Bottom studs add cushioning and resilient support.

**Anti-slip hammer top**

The textured surface promotes grip and easier cleaning.

**Natural rubber**

Quality rubber delivers comfort, strength and lasting performance.
