

COMMERCIAL & GENERAL PURPOSE MODEL HR-014

# Wavo Plus

A wave-pattern drainage mat for cleaner, drier wet-floor environments.

## LIFESTYLE / PRODUCT PERFORMANCE

Presented in a tiled wet area where parallel wave channels direct water away from underfoot.

- **Fast drainage**
- **Wet-floor grip**
- **Symmetrical pattern**

## BUILT FOR THE APPLICATION

Keeps wet work areas cleaner and more secure through efficient drainage and dependable surface grip.

## PRODUCT OVERVIEW

# Built around the demands of outdoor.

A wave-pattern drainage mat for cleaner, drier wet-floor environments.

**Fast drainage**

Wave channels move water away efficiently.

**Wet-floor grip**

The textured pattern supports secure footing in damp conditions.

**Symmetrical pattern**

A balanced design delivers consistent performance across the mat.
