

LIFESTYLE / PRODUCT PERFORMANCE

Installed in a hazardous electrical area where insulating rubber and moisture management support safer standing.

SPECIAL PURPOSE

MODEL HR-042

Work Insular

A moisture-absorbing insulation mat with breakdown strength up to 20,000 V.

- Up to 20,000 V breakdown strength
- Moisture absorption
- Electrical-area protection

BUILT FOR THE APPLICATION

Adds moisture-absorbing insulation and high voltage-breakdown strength to hazardous workplace zones.

PRODUCT OVERVIEW

Built around the demands of industrial.

A moisture-absorbing insulation mat with breakdown strength up to 20,000 V.

**Up to 20,000 V breakdown strength**

High dielectric performance supports hazardous electrical areas.

**Moisture absorption**

The surface helps manage moisture around standing positions.

**Electrical-area protection**

Insulating construction adds protection in high-risk workplaces.
