

FOOD SERVICE

MODEL HR-035

Work Link Pro

A quick-install drainage tile system for safer, drier kitchen workstations.

LIFESTYLE / PRODUCT PERFORMANCE

Installed in a kitchen work zone where open drainage tiles move spills away from underfoot.

- Quick installation
- Dry working surface
- Workstation comfort

BUILT FOR THE APPLICATION

Creates modular kitchen coverage that installs quickly, drains spills and supports workstation comfort.

PRODUCT OVERVIEW

Built around the demands of restaurant & kitchen.

A quick-install drainage tile system for safer, drier kitchen workstations.

**Quick installation**

Modular tiles connect rapidly to cover working zones.

**Dry working surface**

Drainage helps move spills away from underfoot.

**Workstation comfort**

Cushioned rubber supports staff through extended shifts.
